Manville Board of Education Goals for the 2011 - 2012 School Year:

1. To implement the use of minutes for all committee meetings to ensure better communication and information exchange between and among board members;
2. To explore the elimination of the personnel committee; moving to committee of the whole for personnel items in closed session prior to regular board meetings; and
3. To develop a calendar for committee meetings in the first and fourth weeks of each month so that committee reports will be received by board members prior to work sessions and action meeting allowing for fuller discussion.

Chief School Administrator's Goals for the 2011 - 2012 School Year:

1. Academic: Continue to develop an educational community that increases the professional capacity of all members, provides a student-centered school culture, continued professional learning for administration, faculty and staff in support of effective instructional methodologies and classroom organizations that offer our students a student centered classroom learning environment that is individual in approach with the integration of technology to differentiate and individualize instruction thus affording the student with 21ST skills that are transferable and applicable to all academic and practical environments of the child.
2. Implementation of the *Harassment, Intimidation, and Bullying Law/Policy* and application of the HIB Law and developed systems/processes to maintain compliance.
3. Continued review and assessment of student support services with an emphasis on Intervention and Referral Services process and the implementation of interventions for all students.
