Dear Manville Community,

In preparation for our return to in-person instruction on 11/19/2021, we would like to share some information that was recently released from the New Jersey Department of Health. Students exhibiting **any** sign of COVID-19 will not be allowed to attend school without a negative COVID test or until they have completed a 14-day isolation period and are no longer showing symptoms. An alternative diagnosis from a doctor is no longer acceptable. Additionally, all students are required to quarantine for a period of 14-days if you have traveled out of the country or state.

Please keep your child home from school if they are exhibiting any of the following COVID-19 symptoms:

- Fever or chills
- Cough
- Shortness of breath or difficulty breathing
- Fatigue
- Muscle or body aches
- Headache
- New loss of taste or smell
- Sore throat
- Congestion or runny nose
- Nausea or vomiting
- Diarrhea

Testing for COVID-19 can be found at the following locations:

Zufalls Health Center Somerville 908-526-2335

PM Pediatrics Bridgewater 732-605-5437

Hunterdon Urgent Care Raritan 908-237-4122

Robert Wood Johnson Urgent Care Hillsborough 908-685-2513

Somerset County Testing RVCC Branchburg [Schedule COVID Testing](#)

It is of utmost importance that you **notify your school nurse if your child tests positive for COVID-19, regardless of whether they are a virtual or in-person student.** This will assist us in monitoring the COVID-19 positivity rate in our school community.

Please contact your school nurse or the Department of Special Services at 908-231-8500 x 8536 if you have any further questions.

Thank You,
The Manville School District Nursing Department
