Barry Saide, Principal

January 7th, 2021

Good Afternoon Parents/Guardians,

We are excited to welcome students back to school, beginning Tuesday, January 19th, 2021. We will return to our Hybrid Model, and begin with our entire Blue Group (third and fourth grade) on January 19th. Please have your student dress in layers, as we will need to open classroom windows to a degree to maintain fresh air circulation.

Our entire Gold Group will be asynchronous for the week. Gold Cohort students will attend Office Hours, and meet with the Homeroom and Team Teachers, beginning at 8:15 AM. We will follow our delayed opening schedule for in-person learning. Our Blue Group students are expected to arrive at 10:00 AM, and will dismiss between 2:40 - 2:50 PM.

We will continue to follow the revised arrival procedures adopted in mid-October. Third Grade students will form a line by the cone at the base of the stairs closest to the crossing guard on North Fourth Avenue. There will be signage and a cone stating 'Third Grade'. Once the screener has checked for COVID Questionnaire completion on Genesis and the student's temperature checked, students will enter the building, use antibacterial hand sanitizer, and proceed to either the cafeteria for breakfast or to his/her classroom.

Fourth Grade students will form a line by the cone at the base of the stairs closest to the playground on North Fourth Avenue. There will be signage and a cone stating 'Fourth Grade'. The student line will extend on the sidewalk toward Louis Street, away from Brooks Boulevard. Once the screener has checked for COVID Questionnaire completion on Genesis and the student's temperature checked, students will enter the building, use antibacterial hand sanitizer, and proceed to either the cafeteria for breakfast or to his/her classroom.

As a reminder, **the Daily COVID-19 Questionnaire must be completed in Genesis for each child in the household who will be attending school in-person that day.** As you complete the form, it indicates whether or not a student should attend school based upon the information you have inputted. Each night, the form will reset so it can be completed the following morning for any student who will be attending in-person instruction that day. An email reminder will be sent each morning at 6:30 a.m. prompting you to complete the form.

Please fill out the form 45 minutes prior to the start of the school day. It is very important that you call the Roosevelt School Nurse Mrs Hughes ASAP if you have traveled outside of New Jersey within the past two weeks or your family has been in contact with someone that has tested positive for COVID-19.

To complete the form, you will need to login to Genesis Parent Portal and go to the Forms section.

There you will click on and complete the “MSD: Daily COVID-19 Health Questionnaire” for each student.

	FORM	REQUIRED	SUBMITTED ON
1.	MSD: Daily COVID-19 Health Questionnaire for 10/6/2020	YES	✘ Not Yet Submitted
2.	Arrival/Dismissal Information		✔ 8/21/2020
3.	Parental Photo Consent Form		✔ 8/21/2020
4.	Parental Objection Vo-Tech Student Info Release		✔ 8/21/2020

Please take a moment to check that you are able to access your [parent portal account](#). The “Forgot Password” link can be utilized along with your email address to acquire a new password, if needed. If you do not have a parent portal account, please email [genesis@manvillesd.org](mailto:genesis@manvillesd.org) with the name and grade level of your child.

Our students whose parents/guardians opted for fully virtual learning will continue in this model, and follow the All-Student Full Day Virtual schedule. Students who are in either the Hybrid Model or Fully Virtual Model should continue to follow [the schedule on our school website](#).

A survey for parents/guardians of students who have been in the All-Student Full Day Virtual Model since September will be sent out soon. This survey will enable parents/guardians to let us know if they would like to move their student from Full Day Virtual Model to the Hybrid Model for marking period three.

Yours in education,

Barry Saide  
Principal
