

August 30, 2022

Dear Weston Elementary and the Manville Community,

It is with great pleasure that I introduce myself to you as the new principal of Weston Elementary. My name is Dorothy Eason, and I am honored to lead such an amazing school and school community. I have heard nothing but positive things about the students, staff, and community at large. I look forward to meeting each and every one of you over the 2022-2023 school year.

As an instructional leader, I come to you with over 27 years of experience as an educator in urban and suburban settings from elementary through middle school. My experiences have allowed me to see the social, academic, and behavioral transitions from PreK- 8th grade. I have spent the last six years in the Mahwah Township Public School District as the Assistant Principal of Lenape Meadows School. I sincerely believe that great schools are the result of great teachers. My goal is to support the students and teachers of Weston Elementary and provide them with the tools they need for teaching and learning.

As in previous years, this school year will be filled with quality instruction in a safe, responsible, and respectable environment. Your support in this endeavor is key. Please join our school PTA to ensure your voice is heard and that my door is always open.

Once again, I am excited about this school year and look forward to working with the community of Weston Elementary.

Yours in education,

Dorothy Eason

Principal- Weston School
