May 10, 2018

Dear Parents and/or Guardians,

The USDA along with the New Jersey State Department of Agriculture have required all school districts in the State of New Jersey to provide *"Equity in School Lunch Pricing"*. This provision requires any school district that is charging less than \$2.86 for a school lunch to gradually increase the average price per year not to exceed a .10 cent increase in one year.

This law will provide equity between the Federal reimbursement provided for free lunches and the Federal reimbursement provided for paid lunches. The provision will also ensure that all schools will have the funding available to support serving nutritious meals to students.

Attached please find a copy of the breakfast and lunch prices for the 2018-2019 school year.

If you have any questions regarding this provision, please contact my office at (908) 231-8503 or kclelland@manvillesd.org.

Respectfully,

Kimberly A. Clelland
Business Administrator
