- [Flexible instructional days:](#)
 - Assignments to be sent home via Canvas, Classroom, etc.
 - Teachers will be available virtually between from 9-2
 - Students must have access to digital platforms (Google, Classlink, etc..)
 - If your student is having trouble signing in, please email Mr. Wright (wwright@manvillesd.org).
- Chromebooks and wireless hotspots are available for students who need them.
 - If you need a Chromebook or wireless hotspot, please contact:
 - Dr. Maroun at (jmaroun@manvillesd.org) to make arrangements.
 - Students without WiFi at home will receive access through OptimumWif_Passpointi. All devices include wifi access.

Special Education Programming

- Special education teachers will use the same platform for instruction as general education teachers.
- Special education teachers will design accommodations for In-Class Resource students in collaboration with general education teachers. Plans are present on Google Classroom and/or Canvas.
- Special education teachers for self-contained and resource rooms will use the same platform as general education and may provide additional packets/kits as deemed appropriate.
- Evaluations and IEP reviews will be conducted digitally with meetings held via google hangout or Zoom. Please contact the appropriate Child Study Team with questions.

The Child Study Team has reached out to students placed in out of district settings to coordinate services.

- Speech/OT/PT will provide services via virtual/packets/kits as per individual IEP goals and objectives.
- Counseling services as per IEP will take place remotely
