Manville School District Goals for the 2019-20 School Year:

Goal #1

The Board of Education will develop a three year plan for facility use and upgrades.

- The Board of Education will update policies related to facility use for internal and outside groups beginning in 2020.
- The Board of Education will work with district administrators to determine the three year facility needs for the school district.

Goal #2

The Board of Education will develop and support a three year professional development plan to increase student's ability to succeed in the 21st century.

- Develop a comprehensive professional development plan.
- Plan for and budget for professional development opportunities that meet the needs of our faculty and administrative team.
