

JOURNEYS Program

- What:** a structured, out-of-school program that provides:
- daily supervision
 - group meetings
 - positive recreation
 - certified teachers for tutoring and other academic support
 - independent living skills
 - creative projects with The Art House
 - community service
 - character development
 - college preparedness
 - employment readiness skills
 - fun, incentive trips as rewards

Who: Manville students (or residents) between age 12-17 who are interested in: connecting with their community and peers; obtaining mentoring or tutoring services; and/or participating in recreation and activities in a structured environment. Parents, this is a great place to send your student who needs something positive to do after school!

Where: Manville High School Cafeteria

When: Mondays, Thursdays, and Fridays from school dismissal until 6 p.m.

Why: to guide youth towards positive decision-making and improved school attendance and performance
