

## Youth College Readiness Program

- What:** Preparation for post-secondary education and career exploration through:
- Workshops on college and career options, goal setting, application process for colleges and financial aid, college life, etc.
  - College tours and college fairs
  - Tutoring and preparation for PSAT, SAT, and ACT
  - One-on-one services to youth struggling at home or in school
  - Meetings to educate parents
  - Community service opportunities to include on college applications

**Who:** High School Juniors and Seniors

**Where:** High Schools in Bound Brook, Bernards and Manville

**When:** Groups meet weekly for workshops and special activities, such as Career Breakfasts, College Tours and Parent Workshops during the school year

**Why:** To keep youth engaged in school and improve academic performance so that they will graduate on time, preventing dropouts; to improve students' extracurricular resume with community service opportunities; and to teach youth how to make post-secondary education a reality!
