2022-2023 School Year

Dear Parents, Guardians and Staff Member:

This notice is being distributed to comply with the New Jersey School Integrated Pest Management Act. The Manville School District has adopted an Integrated Pest Management (IPM) Policy and has implemented an IPM Plan to comply with this law. IPM is a holistic, preventive approach to managing pests that is explained further in the school's IPM Policy included with this notice.

All schools in New Jersey are required to have an Integrated Pest Management Coordinator (IPM Coordinator) to oversee all activities related to IPM and pesticide use at the school.

The IPM Coordinator for Manville School District is: Director of Facilities

Name of IPM Coordinator: Keith Gardner

Business Phone number: 908-231-8544

Business Address: 1100 Brooks Blvd, Manville, New Jersey 08835

The IPM Coordinator maintains the pesticide product label, and the Material Safety Data Sheet (MSDS) (when one is available), of each pesticide product that may be used on school property. The label and the MSDS are available for review by a parent, guardian, staff member, or student attending the school. Also, the IPM Coordinator is available to parents, guardians, and staff members for information and to discuss comments about IPM activities and pesticide use at the school.

Please review the attached Manville School District policy number 7422, Integrated Pest Management.

Sincerely,

Allison Bogart
Business Administrator
