Cada maestro o consejero tiene una columna que mostrará todos los espacios disponibles:

Para seleccionar un espacio para conferencias, localice una fecha y hora que le convenga y haga clic en el botón de ese espacio. Aparecerá un diálogo de verificación:

Haga clic en OK para reservar un hueco.

Cuando reserva un hueco todas los huecos restantes para esa persona dejarán de ser disponibles.

Solo puede programar un espacio para cada maestro o consejero durante un evento de "Conferencia de maestros".

Notarás que los huecos pueden tener colores diferentes. Cada uno representa un estado de conferencia diferente:

- ❖ **Verde** = Conferencia disponible
- ❖ **Rojo** = La conferencia está reservada para otro estudiante.
- ❖ **Blanco** = Conferencia que ya ha reservado (y puede cancelar en cualquier momento)
- ❖ **Amarillo** = Conferencia que entra en conflicto con un tiempo de conferencia ya reservado (no programe varias conferencias al mismo tiempo).

Solicitando una conferencia

Solicitar una conferencia es diferente que programar una conferencia. Esta característica no se está disponible en este momento.
